MicroSaver® Twin Laptop Lock - Keyed Different

Lock down two devices at the same time.

64025

Product Description

Protect your laptop and monitor with this double lock-head security system. T-Bar™ locking mechanism and high-carbon steel cable provide maximum protection that attaches to the standard Kensington security slot found in 99% of laptops and many computer devices. Lock down your computer system and leave it safe.

Features

- Hidden Pin™ technology ensures tubular locks cannot be picked offering the highest level of security

- Tamper Evident™ technology alerts you that someone has tried to steal your device

- Anti-Shear™ technology protects against intrusion by force

- Two keys supplied

- Custom keyed options available

- Multi-stranded 2200mm long, 5.3mm thick high-carbon aircraft-grade steel cable with carbon tempered steel core

- High security barrel & round key lock with anti-rotation pins and tamper evident feature

- Secure two items with two high security barrel & round key lock heads with anti-rotation pins and tamper evident feature

- Second T-Bar™ lock head slides along cable for flexible deployment
