Product Description

Ideal for hot-desking, hoteling, home office and educational environments requiring a single monitor solution, Kensington's SD2000P USB-C Single 4K Nano Dock with 60W Power Delivery is Thunderbolt 3-compatible and provides users with a simple connection to a desktop setup. The SD2000P allows users to choose between HDMI or DP++ video ports to accommodate different monitor setups, connect to their favourite USB accessories using two USB 3.1 Gen1 ports and use the USB-C connection to transfer up to 5Gbps of data while powering their device. Built on USB-C technology and Power Delivery 3.0, users can connect with confidence to PC, MacBook or Chromebook knowing the SD2000P will let them expand their workspace, use their favourite accessories, and power their device at the same time.

Features

- Cross-platform compatibility – works with any laptop equipped with USB-C or Thunderbolt 3 and supports Windows, Mac and Chrome operating systems

- USB-C connectivity allows users to transfer data, video and audio while providing up to 60W of power delivery1 to USB-C enabled laptops using the included 1M USB-C cable for a simple plug and play experience 1Supported USB-C devices with PD function only

- Versatile 4K video connections offer output options for HDMI (4K@30Hz) or DP++ (4K@30Hz) to a single external monitor, TV or projector for spectacular true-to-life images2 2Host device must support Alt mode over USB-C

- 3 USB ports – extend productivity capabilities via two USB 3.1 Gen1 ports (up to 5Gbps) with charging up to 5V/1.5A per port3, and one USB-C 3.1 Gen1 port (up to 5Gbps) with power delivery for an external device (5V/3A) 3USB charging is supported at 5V/1.5A per port when the laptop is connected, and at 5V/2.4A per port when the laptop is not connected

- Gigabit Ethernet port provides a reliable 1Gbps wired networking connection

- Kensington Security Slot protects your technology investment via easy implementation of a cable lock

- Zero Footprint Mounting provides the option to attach the dock to the back of any 75mm or 100mm VESA compatible external display (mounting plate sold separately – K33959WW)

- 3-Year limited warranty
