

An essential, budget-friendly business display

Meet your business needs and your budget with solid front-of-screen visuals and easy PC connectivity of the stylish, reliable, and affordable HP P174 17-inch Monitor.

Crisp, clear views

Navigate your everyday content and specific line of business programs on a sleek display that complements your modern workspace and has a standard 17-inch diagonal 1280 x 1024 resolution screen.

Simple connectivity

Connect to your current and legacy devices through the VGA port.

Create an efficient workspace

Attach your HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind the display. [1] Keep things tidy with an integrated power supply and cable management features.

Featuring

Find your sweet spot

Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode. Adjust tilt for your best view.

Place it where you need it

Free up valuable desk space with mounting options enabled by the 100-mm VESA pattern. [2]

Complete the picture

Customize a total solution with options designed for your display, like the HP S100 Speaker Bar, which attaches easily to the lower bezel to add stereo audio without the desktop clutter. [3]

Responsibly made

Energy efficiency and environmental sustainability are built into every ENERGY STAR® and TCO certified, EPEAT® Silver registered, and low halogen display. [4,5]

Divide and conquer

Manage your display and make it work for you. HP Display Assistant allows you to quickly resize screen partitions so you can work in separate regions of the screen and helps deter theft by dimming a display that's disconnected without approval.

Specifications

Display size (diagonal)	17"
Display type	TN with LED backlight
