

TAKE AND MAKE CALLS – JUST LIKE THAT

Keep the conversation flowing with Jabra Talk. This easy-to-use, *Bluetooth*® headset lets you stay in touch with clear HD sound* quality, ensuring every conversation comes through with clarity and without disruptions. That means you can stay focused on the call and keep talking while you multitask.

Jabra Talk will even talk to you. With its Voice Announcements™ feature, you can get spoken battery and connection status updates from your headset. The headset will automatically adjust its volume to adapt to your environment. Jabra Talk also lets you stream your favorite multimedia such as music, GPS directions and podcasts (A2DP) directly to your headset – wirelessly.

Jabra Talk features Multiuse™, which lets you connect with two active *Bluetooth* devices of your choice at the same time. Added convenience is provided through the on/off slider button, which enhances your control and use of the headset. Jabra Talk is the perfect headset if you're new to using *Bluetooth*, but its features will satisfy even seasoned users.

Start talking your way to hassle-free, hands free conversations with Jabra Talk.

REASONS TO CHOOSE THE JABRA TALK

Voice Announcements™ provide spoken battery and connection status

Stream multimedia – GPS, music and podcasts

QUICK START GUIDE

CHARGE YOUR HEADSET

While charging the headset, the battery indicator will show solid red. When the headset is charged, the battery indicator will turn solid green and turn off after 5 minutes. Charging time is approximately 2 hours.

TURNING YOUR HEADSET ON AND OFF

Slide the "on/off" button to turn the headset on or off. The StatusDisplay™ will light up when the headset is turned on.

PAIRING THE HEADSET WITH YOUR PHONE

FIRST TIME PAIRING

Turn the headset on - the headset is in automatic pairing mode when the *Bluetooth*® connection indicator is flashing blue.

LATER PAIRING

- Turn the headset on. Press and hold the answer/end button until the *Bluetooth* connection indicator is flashing blue.
- Activate *Bluetooth* on your phone. Then set your phone to search for *Bluetooth* wireless technology enabled devices and select Jabra Talk.
- Press 'OK' on the phone and if you are asked for a PIN code, confirm with PIN code 0000 (4 zeros).

VOICE ALERTS

- **Connection**
When your headset has successfully established connection with your phone and is ready to be used, the Jabra Voice Alert will say "connected".
- **Battery Low Alert**
When your headset has battery for less than 30 minutes the Jabra voice alert will say "low battery". This message will be repeated with a ten minute interval.
- **Redialing Alert**
When double tapping the answer/end button on your headset, the Jabra voice alert will say "redialing".

USING YOUR HEADSET

- **Answer a call**
Tap the answer/end button on your headset to answer a call.
- **End a call**
Tap the answer/end button to end an active call.
- **Make a call**
The call will automatically transfer to your headset*. If it does not do so, please tap the answer/end button on your headset
- **Reject a call***
Press the answer/end button.
- **Activate voice dialing***
Press the answer/end button to activate the voice-dialing function in the mobile phone. Please consult your phone user manual for more info about using this feature.
- **Redial last number***
Double tap the answer/end button when the headset is connected to your phone.
- **Adjust sound and volume***
Tap the volume up or down to adjust the volume.
