*Venue*

Active Noise Canceling Wireless  
Réduction Active du Bruit Sans fil

## **WHO**

Social Tastemakers, Tech & Trend Chasers

## **WHAT**

A personal space — a place to tune in.

## **HOW**

- Active Noise Cancellation diffuses distractions and lets you immerse yourself into what matters most.
- Bluetooth technology coupled with hours of battery life perfect for any road trip or late-night study session.
- Rapid Charge technology so you never have to worry about a dead battery.
- Premium acoustics elevate any listening experience.
- Low-profile, sleek design crafted to enhance your personal brand.
- Plush ear cushions & pivoting armatures for long-wear comfort customized to you.
- Tile-enabled technology because losing your most prized possessions is a thing of the past.
- Durable design & a flat carrying case built to withstand adventures big or small.
