Bluetooth macOS iOS

Made for Macs

All of the familiar Mac keys and shortcuts are here. Effortlessly adjust screen brightness, volume, play and pause with single touch focus keys. The backlit keys are convenient when typing in low light environments and the rechargeable battery will keep you going for days on end.

SYNC 4 DEVICES

Quick Switching Between Devices

MultiSync technology makes it easy for simple one-touch switching between four devices. Just pair your devices and start toggling. Bluetooth 3.0 technology means you don't have to take up valuable USB ports with wireless receivers. Setup is easy, and no installation or drivers are required.

Premium Ultra-Slim Design

With a modern yet functional design, the Kanex Ultra-Slim Premium Keyboard features clean, sleek lines and low profile keys that provide a stylish yet comfortable typing experience. The compact design takes up minimal space on your desk and easily fits in your bag.
