

The SureColor SC-T5400M is a competitively-priced, entry-level, 36-inch, large-format, technical printer with integrated scanner.

The SureColor SC-T5400M has been developed for those working in construction and reprographics, who value detail, precision and flexibility. It features a truly integrated scanner/copier that allows the user to scan, save and reprint old maps and blueprints, that are usually stored as hard copies.

#### **Ease of use**

A suite of intuitive features, and supporting software tools, make this technical printer user-friendly. These include a 4.3-inch colour LCD touch panel, Wi-Fi, direct from USB printing, borderless printing, scanning direct to email, network folder or USB.

#### **Reliability**

Unique Nozzle Verification Technology (NVT) helps prevent misprints. When scanning, misprints, wrinkles and shadows are eliminated, while highlighter colours are retained.

#### **Affordability**

Low total cost of ownership (TCO). Two-year standard warranty. 110/350 ml cartridges to increase production efficiency.

#### **Workflow integration**

A seamless integration into your existing workflow. Epson's automatic print application supports PDF, JPEG and TIFF formats. It also supports direct print and copying without the need for a PC.

#### **Integrated scanner**

Fast, reliable, truly integrated scanner/copier with the ability to scan up to 30.5m in length, and retain highlighted areas.

#### **Quality**

Whether printing CAD, GIS, architectural or engineering technical drawings, the SC-T5400M delivers stunning, borderless prints, on both matte and glossy media.

## KEY FEATURES

- **Integrated scanner**  
With simple, top-loading functionality
- **Easy to use**  
Intuitive features throughout
- **Affordable**  
Low TCO, two-year standard warranty, large capacity ink cartridges
- **Reliable**  
NVT helps prevent misprints
- **Simple workflow integration**  
Seamless integration into existing workflow
