Embargo Date	**February 6th, 2020**
Product Full Name / Title	**CORSAIR DARK CORE RGB PRO SE, Wireless FPS/MOBA Gaming Mouse with SLIPSTREAM Technology, Black, Backlit RGB LED, 18000 DPI, Optical, Qi® wireless charging certified**
Product Short Name / Title	**DARK CORE RGB PRO SE Wireless Gaming Mouse**
Product Imagery	**PNG** | **PSD**
Documentation	**Quick Start Guide** | **Safety Leaflet**
Product Video	N/A
100-Word Product Description	The CORSAIR DARK CORE RGB PRO SE boasts three ways to connect, including sub-1ms SLIPSTREAM WIRELESS. A custom 18,000 DPI optical sensor comes optimized for low power consumption, and hyper-polling technology communicates with your PC at up to 2,000Hz. Its contoured shape and two interchangeable side grips ensure comfort and control, while a USB-C connection and Qi wireless technology makes charging a breeze with up to 50 hours of battery life. Stand out with nine-zone dynamic RGB backlighting, including a vibrant light bar, and gain an in-game advantage with eight buttons programmable with macros and remaps. Control lighting, button assignments, and more with powerful iCUE software, while onboard storage saves up to three profiles so you can win without wires, anywhere.
50-Word Product Description	The CORSAIR DARK CORE RGB PRO SE helps you win without wires, boasting sub-1ms SLIPSTREAM WIRELESS. A custom 18,000 DPI optical sensor is optimized for low power consumption, and hyper-polling technology communicates with your PC at up to 2,000Hz. Its contoured shape and two interchangeable side grips ensure comfort and control, while a USB-C connection and Qi wireless technology makes charging a breeze.
25-Word Product Description	The CORSAIR DARK CORE RGB PRO SE helps you win without wires, boasting sub-1ms SLIPSTREAM WIRELESS, a custom 18,000 DPI optical sensor optimized for wireless mice, and hyper-polling technology up to 2,000Hz.
Product Features (Style 1)	• Three ways to connect: sub-1ms SLIPSTREAM WIRELESS technology, low-latency Bluetooth® wireless technology, or USB wired. • Play with pinpoint accuracy and precision thanks to a custom PixArt PAW3392 native 18,000 DPI optical sensor, optimized for wireless mice with extremely low power consumption and customizable in 1 DPI resolution steps. • Hyper-polling technology communicates with your PC at up to 2,000Hz, twice the speed of standard gaming mice, ensuring blazingly fast response times. • Charges with an easy-to-use, reversible USB-C connector, or wirelessly with any Qi-compatible charging device such as the CORSAIR MM1000 mouse pad. • Comfortable contoured shape with two included interchangeable side grips for a tailored fit. • Nine-zone dynamic RGB backlighting, including an integrated light bar with five individually addressable RGB LEDs, offers near endless customization of colors and lighting effects. • Get an in-game advantage with eight buttons, fully programmable with custom macros and button remaps. • Up to 50 hours of continuous battery-powered wireless gaming, or plug in for wired mode to continue gameplay while charging. • High-performance Omron switches rated for more than 50 million clicks. • Powerful CORSAIR iCUE software lets you assign macros, adjust polling rate, customize RGB lighting effects synchronized across all of your iCUE-compatible devices, and much more.

	• Onboard profile storage with to take up to three lighting and macro profiles with you.
Product Features (Style 2)	• **Three Ways to Connect:** Sub-1ms SLIPSTREAM WIRELESS technology, low-latency Bluetooth® wireless technology, or USB wired. • **Wireless-Optimized 18,000 DPI Optical Sensor:** Play with pinpoint accuracy and precision thanks to a custom PixArt PAW3392 optical sensor, optimized for extremely low power consumption and customizable in 1 DPI resolution steps. • **Hyper-Polling Technology:** Communicates with your PC at up to 2,000Hz, twice the speed of standard gaming mice, ensuring blazingly fast response times. • **USB-C and Qi Wireless Charging:** Charges with an easy-to-use, reversible USB-C connector, or wirelessly with any Qi-compatible charging device such as the CORSAIR MM1000 mouse pad. • **Comfortable Contoured Shape:** Includes two interchangeable side grips for a tailored fit. • **Nine-Zone Dynamic RGB Backlighting:** Multiple lighting zones, including an integrated light bar with five individually addressable RGB LEDs, offer near endless customization of colors and lighting effects. • **Eight Fully Programmable Buttons:** Get an in-game advantage with eight buttons programmable with custom macros and button remaps. • **Up to 50 hours of Battery Life:** Play for days of continuous battery-powered wireless gaming, or plug in for wired mode to continue gameplay while charging. • **50 Million Click-Rated Omron Switches:** Built to last through intense gaming with ultra-durable Omron switches. • **Powerful CORSAIR iCUE Software:** Assign macros, adjust polling rate, customize RGB lighting effects synchronized across all of your iCUE-compatible devices, and much more. • **Onboard Profile Storage:** Take up to three lighting and macro profiles with you.
Specifications	Wireless Connectivity — Hyper-fast, sub-1ms 2.4GHz SLIPSTREAM CORSAIR WIRELESS TECHNOLOGY, _Bluetooth_® 4.2 + LE Wired Connectivity — USB 2.0 Type-A Battery Charging — Works with Qi® certified and compatible wireless chargers, or charges via USB to computer Battery Type — Built-in lithium-polymer, rechargeable Battery Life — 2.4GHz SLIPSTREAM: Up to 16hrs w/ standard lighting and 36hrs w/out backlighting / Bluetooth: Up to 18hrs w/ standard lighting and 50hrs w/out backlighting Sensor — Pixart PMW3392 Sensor Type — Optical Sensor Resolution — 100 - 18,000 DPI, with 1 DPI steps Onboard Profiles — 3 Backlight — 9-Zone RGB Buttons — 8 USB Report Rate — 1000/2000Hz Color — Black Mouse Feet — PTFE Cable — 1.8 m / 6 ft., braided, fixed iCUE (Software) — Supported Dimensions — 127.0(L) x 89.0(W) x 43.0(H) mm / 5.00"(L) x 3.50"(W) x 1.69"(H) Weight (w/o cable and accessories) — 142g / 0.31 lbs. Warranty — Two years
Package Contents	DARK CORE RGB PRO SE Gaming Mouse, USB charging and data cable, USB wireless transceiver, One additional side grip Quick start guide, Safet leaflet, Warranty card
