COMMISSION DELEGATED REGULATION (EU) 2019/2013 with regard to energy labelling of electronic displays

|     | Parameter                                                                                                              | Parameter or value and precision                                                              |   |       | Enhet  |
|-----|------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|---|-------|--------|
| 1.  | Supplier's name or trademark.                                                                                          | BenQ                                                                                          |   |       |        |
|     | Supplier's address.                                                                                                    | BenQ Europe B.V. ,<br>Meerenakkerweg, 1-17<br>5652 AR Eindhoven Noord-<br>Brabant Netherlands |   |       |        |
| 2.  | Modellbeteckning                                                                                                       | PD2700U                                                                                       |   |       |        |
| 3.  | Energieffektivitetsklass för SDR (Standard Dynamic Range)                                                              | G                                                                                             |   |       |        |
| 4.  | On mode power demand in Standard Dynamic Range (SDR)                                                                   | 26,7                                                                                          |   |       | W      |
| 5.  | Energieffektivitetsklass för HDR (High Dynamic Range)                                                                  | G                                                                                             |   |       |        |
| 6.  | On mode power demand in High Dynamic Range (HDR), if implemented                                                       | 30,9                                                                                          |   |       | W      |
| 7.  | Off mode, power demand, if applicable                                                                                  | 0,3                                                                                           |   |       | W      |
| 8.  | Standby mode power demand, if applicable                                                                               | 0,3                                                                                           |   |       | W      |
| 9.  | Networked standby mode power demand, if applicable                                                                     | n.a.                                                                                          |   |       | W      |
| 10. | Kategori av elektronisk bildskärm                                                                                      | Datorskärm                                                                                    |   |       |        |
| 11. | Höjd-breddförhållande                                                                                                  | 16                                                                                            | : | 9     |        |
| 12. | Screen resolution                                                                                                      | 3 840                                                                                         | x | 2 160 | Pixels |
| 13. | Skärmdiagonal                                                                                                          | 68,5                                                                                          |   |       | cm     |
| 14. | Skärmdiagonal                                                                                                          | 27                                                                                            |   |       | tum    |
| 15. | Synlig bildskärmsarea                                                                                                  | 20,0                                                                                          |   |       | dm²    |
| 16. | Bildskärmsteknik                                                                                                       | LED LCD                                                                                       |   |       |        |
| 17. | Automatisk ljusstyrkereglering (ABC) tillgänglig                                                                       | Nej                                                                                           |   |       |        |
| 18. | Sensor för taligenkänning tillgänglig                                                                                  | Nej                                                                                           |   |       |        |
| 19. | Närvarosensor tillgänglig                                                                                              | Nej                                                                                           |   |       |        |
| 20. | Image refresh frequency rate (default)                                                                                 | 60                                                                                            |   |       | Hz     |
| 21. | Minimum guaranteed availability of software and firmware updates (from the date of end of the placement on the market) | 8                                                                                             |   |       | Years  |
| 22. | Minimum guaranteed availability of spare parts (from the date of end of the placement on the market)                   | 7                                                                                             |   |       | Years  |
| 23. | Minimum guaranteed product support                                                                                     | 7                                                                                             |   |       | Years  |
|     | Minimum duration of the general guarantee offered by the supplier                                                      | 3                                                                                             |   |       | Years  |
| 24. | Typ av strömförsörjning (nätaggregat)                                                                                  | Internt                                                                                       |   |       |        |
| 25. | External power supply (non standardized and included in the product box)                                               |                                                                                               |   |       |        |

|     |                                                                                         |                                      |   |    |
