

## PORTABLE WITH A TOUCH OF INSPIRATION

Scale new heights of productivity, flexibility, and style with a touch-enabled mobile monitor. The slim and light ThinkVision M14t is a 14-inch Full-HD display that provides you with an extra screen whenever you need it. With 10-point touch functionality, enjoy the freedom to design, animate, present, and annotate on an intuitive monitor interface. More than just a display, the M14t comes with a pressure-sensitive active pen for precise sketching and easy navigation, as well as a customized sleeve for protection and an L-shaped dongle for vertical deployment and better cable management. This compact USB-C Hub monitor with two USB-C ports works seamlessly with not only the Lenovo Think family laptops but also with your other compatible USB-C devices, like your smartphone. The monitor offers ease of use, especially while working on the go. Connect, present, pitch, and create with conviction on the M14t—at the office or on the go.
