

Elegant engineering for power users

## HP LP2475w 24-inch Widescreen LCD Monitor

The super-sized HP LP2475w 24-inch Widescreen LCD Monitor offers premier performance and connectivity features in an elegant 24-inch diagonal wide-aspect screen engineered for power users, designers and workstation users who appreciate expansive widescreen presentation of their graphics, video and data projects.

### Impressive performance

Enjoy crisp, clear, high-resolution onscreen presentation from the 1000:1 contrast ratio, sharp resolutions to 1920 x 1200, extra-bright screen and 102% color gamut <sup>1</sup>.

### Smart software

Automatically optimize display settings with SetRefresh. Use HP Display Assistant to set theft deterrence features and adjust the display through the connected PC. Help protect against image retention and reduce energy costs with HP Display LiteSaver, which allows prescheduled Sleep mode

### Enhanced compatibility

Toggle between legacy and developing graphics technology with inputs that support DVI-I, DisplayPort 1.1 and HDMI 1.3 with HCP support for protected content, along with component, S-video and composite inputs. Enjoy quick peripheral connectivity from the monitor instead of the desktop or workstation, with the built-in six-port USB hub.

### Get comfortable

Find the most comfortable viewing position with wide viewing angles and height adjustment, tilt, swivel and 90-degree pivot rotation features. The built-in HP Quick Release in the stand enables wall and arm mounting and simplifies tiling of multiple units for panoramic displays.

### Enjoy peace of mind

The HP LP2475w monitor is fully tested and qualified for out-of-the-box functionality and compatibility with HP workstations and the full line of HP business products. The three-year limited warranty is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world.
