Product Description

The SmartFit® Sit/Stand Workstation lets you easily convert your traditional desk into a standing workspace, giving you ergonomic and health benefits. It installs quickly and requires minimal changes to your current setup. Our patented SmartFit System lets you find your personal comfort color and set the workstation to the ideal height for your monitor and keyboard/mouse platform. A pneumatic lift and articulating arm let you quickly transition from sitting to standing and adjust the unit from side to side.

Features

- SmartFit System allows you to measure, adjust and fit the workstation's articulating arm to your ideal comfort color setting
- Pneumatic lift lets you quickly and easily transition from sitting to standing
- Articulating arm has four pivot points so you can easily move the workstation up and down and side to side
- Height adjustable so you can set the monitor and the keyboard platform independently for the ideal viewing and typing settings
- Cable management channel routes accessory cords to keep workstation uncluttered
- Reinforced mounting clamp attaches quickly to the desktop
- Secondary platform provides a space-saving area for additional accessories
