

12U Adjustable 4 Post Server Equipment Open Frame Rack Cabinet

Product ID: 4POSTRACK12

The 4POSTRACK12 12U Adjustable 4 Post Server Equipment Open Frame Rack Cabinet provides a durable, open air housing for rackmount servers and networking equipment. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act (TAA), allowing government GSA Schedule purchases.

The equipment rack/cabinet features heavy gauge mounting rails to ensure a stable installation platform and adjustable posts for flexible installation. The 12U open frame rack is compliant with EIA-RS-310C standards, offering a universal design that's compatible with equipment from popular manufacturers. Plus, the equipment rack is flat-packed, reducing shipping costs and simplifying handling and assembly.

For added versatility, StarTech.com offers an optional [4pc Caster Kit](#) (4POSTCASTER) that can be installed on the bottom of the 12U server rack, making it easier to re-position the cabinet/rack as needed for future uses.

Backed by a StarTech.com lifetime warranty and free lifetime technical support.

och kompatibilitet**

Användning

- Durable storage for rackmount servers, KVM switches, and networking equipment
- Suitable for rackmount equipment where security at the rack level is not required
- Perfect solution for Technology shops and repair centers with limited space and mountable equipment
- Great for satellite offices, and retail locations where a small amount of server equipment is setup
- Useful for point of sale applications, specifically mounting equipment under the check-out counter
- Mounting equipment under a desk/workspace
- Audio/Video editing room, radio or television studio broadcast rackmount equipment

Funktioner

- Store your servers, network and telecommunications equipment in this 12U open-frame rack
- 12U Open Frame Rack with a weight capacity of 1000 lb (452.5 kg)
- TAA compliant for GSA Schedule purchases
- Flat packed for easy shipping
- Pre-drilled base and unobstructed ventilation
- Heavy gauge adjustable mounting rails ensure broad equipment compatibility
