ENTERPRISE SHIELD

COMPREHENSIVE PROTECTION FOR YOUR FLEET

ENTERPRISE SHIELD PLUS

Enterprise Shield Plus provides a comprehensive, one-stop support service offering unlimited free replacements and repair for your entire fleet within one year. The more devices you add, the higher your coverage pool goes, providing greater peace of mind for you and your business.

* Multiple products bound and activated at the same time can be added to your Enterprise Shield Plus account. (The maximum coverage is the total of all products' coverage).

* Unlimited free repair/replacement: The damage assessment amount is deducted from the coverage amount until the coverage is exhausted.

ENTERPRISE SHIELD BASIC

Enterprise Shield Basic provides two replacement services within one year at a small additional charge for accidental damages such as crashes and water damage. It is available to purchase for many enterprise products, letting you fly worry-free.

UNLIMITED FREE REPLACEMENTS

Unlimited free replacements for drones will be provided with Enterprise Shield's coverage available.

* For each replacement, a fee equivalent to the damage assessment cost for the customer's original product is deducted from the coverage amount.

* The Zenmuse XT series are not covered by the replacement service.

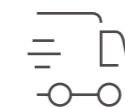

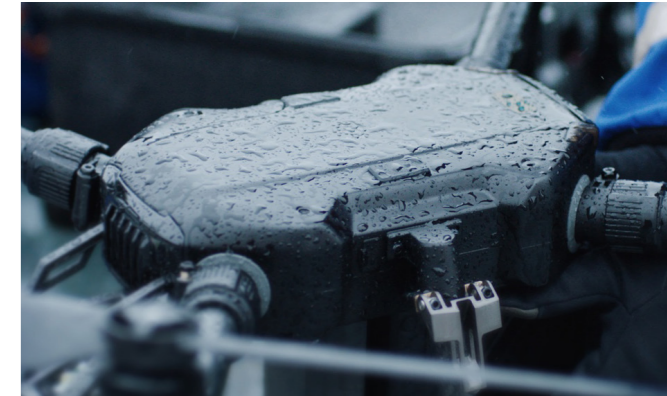

SHARED COVERAGE FOR YOUR FLEET

Minimize your risk and simplify your process with one account that covers your entire fleet. Shared coverage across entire fleet of products. An unlimited number of products bought and activated at the same time can be added to your Enterprise Shield account, increasing the total coverage pool.

WATER DAMAGE COVERAGE

Fly fearlessly with Enterprise Shield, replace your aircraft even if it's water damaged. Replacement units are also provided for: Crash Damage, Signal Interference, and User Error.

FREE AND OVERNIGHT DELIVERY

When using the replacement service, DJI will cover all shipping costs, helping you to enjoy an optimal replacement experience.

* It is only available in the region covered by Enterprise Shield, and if outside the covered region, the transport cost and customs clearance fees generated are covered by the customer.
