## Closed acoustic gaming headset

Created for gamers who enjoy good sound in their games, the GSP 302 gaming headset delivers an immersive experience with high quality audio. Engineered to provide superior sound quality and comfort during long gaming sessions, the deep bass lets you experience explosions to the fullest while the acoustic clarity ensures the best game chat.

Multiplatform compatible (PC, PS4, Xbox One, Switch, Mac OSX), the GSP 302 features a lift-to-mute noise-canceling boom microphone for crystal clear communication. Superior fit is delivered by a clever ball-joint hinge to angle the ear cups and extra-large memory foam ear pads improve passive noise attenuation.

Let the power of audio transport you into your game. With superior sound and comfort, the GSP 302 headset takes your game sound to the next level.
