Highlights

Special occasions

Family or friends coming over? Set your outdoor lights to match the occasion. Whether it's a cozy dinner on the balcony, a BBQ on the patio or party in the backyard, you can add a touch of magic to every get-together with Philips Hue. Create colorful scenes or slow-moving dynamic effects to enjoy these special moments to the fullest.

Warm to cool white light

Extend your evenings with Philips Hue outdoor lighting. Set the right ambiance on your patio, balcony or porch and relax. From the warm white light of a summer sun, to the ice cool daylight of winter: you can enjoy any shade of white light to fit your mood throughout the year.

Control it your way

Connect your Philips Hue lights with the Bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add the indoor switches to your system to change your lights. Set timers, notifications, alarms, and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and the Google Assistant to allow you to control your lights with your voice.

Paint your outdoors

With Philips Hue outdoor lighting there's no limit to the magic you can add. Play with 16 million colors and all shades of white light to create the effect you want. Highlight objects, trees or pathways to make your space stand out. Use the Hue app to save your favorite light settings and recall them whenever you want with the tap of a finger.

Requires a Philips Hue bridge

Connect your Philips Hue lights with the Bridge to control your lights from your smart phone or tablet via the Philips Hue app. Or control your Philips Hue lights with the Philips Hue dimmer indoor switch for on/off and dimming functionalities.

Power supply and plug included

The base unit packs come with all elements you need to get started, this includes light points, power supply, extension cables and connectors. So all you have to do is unpack, install where you like and turn them on.

quality aluminium and glass

The products are made specifically for outdoor use. We are using high-quality aluminium and tempered glass to ensure the best performance in the outdoor conditions. As well as smart use of materials to optimize radio frequency.
