

Konftel C5055Wx

Expand your video collaboration

Konftel C5055Wx is the perfect video collaboration solution for medium and large meeting rooms, combining the Konftel Cam50 PTZ conference camera and the expandable Konftel 55Wx speakerphone with OmniSound® audio quality.

The Konftel OCC Hub brings everything together into one convenient bundle, so a single USB cable is all you need to connect the camera, the sound unit and the room's screen to the collaboration app on your laptop.

The Konftel Cam50 brings exceptional image quality to your video conferences at a fraction of the cost of other comparable conference cams with PTZ (Pan-Tilt-Zoom). It is based around premium class optics and outstanding precision – all the way from the lenses to the image sensor and the technology used to optimize the quality of the video. Even in low light, the image is crisp and clear.

OmniSound® PTZ

- Meeting size: Up to 20 people
- HD 1080p 60fps
- Exceptional image sensor (2.7 inch and 2M effective pixels)
- Pan-Tilt-Zoom
- 72.5° field of view
- 12x optical zoom
- HDMI
- OmniSound® with HD audio
- Free software updates
- Two-year warranty

A SENSE OF PRESENCE

Medium and large meeting rooms are the PTZ camera's natural habitat. A 72.5° field of view creates a sense of presence right from the start and it's easy to zoom in to a suitable level. You can test the Konftel Cam50's performance by taking the 12x optical zoom all the way. Show notes on a whiteboard or details of a product sample with impressive clarity.

GROWS WITH THE TASK

The speakerphone is optimized for meetings with up to 12 participants in the room. By adding extra microphones to the Konftel 55Wx, you can expand the effective audio coverage for large video conferences with up to 20 people.

Specifications Konftel C5055Wx
