

MY PASSPORT™ GO

PORTABLE STORAGE

**Tough SSD.
Built to travel.**

- Drop-resistant up to 2 meters
- Built-in cable, pocket-sized portable drive
- 2.5x faster than most portable hard drives¹
- Durable SSD inside with no moving parts
- Automatic backup software²
- Works on both PC and Mac computers

My Passport™ Go is the tough SSD drive built to travel. With a rubber protective bumper on the outside, a solid state drive on the inside, and a built-in cable for convenience; this is no ordinary drive. My Passport Go is the perfect drive to take anywhere with confidence.

MY PASSPORT™ GO

PORTABLE STORAGE

Product Features

Tough and Durable

The My Passport Go portable drive has a shock-absorbing rubber bumper and no moving parts, making it drop-resistant up to 2 meters and helping to keep your content safe from bumps and shakes.

Compact and Integrated

Its pocket-sized form factor and built-in cable make the My Passport Go drive incredibly convenient to bring with you anywhere without leaving important components behind.

SSD Performance

At more than 2.5x faster than most portable hard drives, the My Passport™ Go portable drive delivers SSD performance of up to 400MB/s.¹

Worry-free Portability

Engineered and manufactured by Western Digital, a leading storage company, the My Passport Go drive provides you with reliability and dependability you can trust.

Fully Compatible

Whether using a PC or Mac computer, your My Passport Go drive works easily right out of the box and includes automatic backup software² for Windows and is also Time Machine compatible for Mac backup (reformatting required).
