2-year warranty against water and dust*
- **Voice command made simple**
One-touch access to Amazon Alexa**, Siri®, and Google Assistant™

2. Jabra Elite 45e overview

2.1 Included accessories

3. How to wear

Jabra Elite 45e is designed to be worn around the neck.

For the optimal call experience, position the microphone as close to your mouth as possible.

3.1 Getting the correct fit

The headphones are supplied with three EarGel and EarWing sizes: large, medium and small.

It is highly recommended to mix and match the different EarGel and EarWing sizes to find the best combination for your ear. The correct fit will feel comfortable and secure in your ear.

3.2 Attaching the EarWings and EarGels

1. To attach an EarWing, align the indent on the EarWing with the ridge on the earbud (as illustrated), and stretch the EarWing over the earbud. It will fit perfectly in the groove when properly attached.
2. Firmly press the EarGel onto the earbud, ensuring it is angled correctly (as illustrated).

3.3 Using the magnetic earbuds

The earbuds are magnetic, and connect together for convenient cable and power management. When the earbuds are connected, your music will be paused or your call will be ended. Separating the earbuds will answer an incoming call. Go to section 6.1. for more information.

4. How to charge

To charge the headphones, connect a USB charging cable to the USB charging port. It is recommended to charge the headphones using the supplied Jabra charging cable, however it is possible to charge the headphones using your smartphone charger.

It takes approx. 2 hours to fully charge the headphones.

Note: Always clean and dry the USB charging port before charging the headphones. It is recommended to recharge the headphones at least once a month.

| <p>Mute/un-mute microphone</p> | <p>Press the Mute/Voice button, when on a call</p> | |

6.2 Headphone voice guidance

Headphone voice guidance are announcements intended to guide you or give headphone status updates (e.g. connection and battery status).

How to turn voice guidance On/Off

Voice guidance is enabled by default.

Voice Guidance On:

Ensure the headphones are powered on, and then hold the **Mute/Voice** button for 5 seconds.

Voice Guidance Off:

Ensure the headphones are powered on, and then hold the **Mute/Voice** button for 5 seconds.

Headphone voice guidance can also be configured using the Jabra Sound+ app.

6.3 Siri or Google Now

Phone voice commands enable you to speak to Siri or Google Now on your smartphone using your headphones. For more information on using Siri or Google Now, please refer to your smartphone's user manual.

Phone voice commands

Activate Siri or Google Now (phone dependent)

Press the **Mute/Voice** button, when not on a call

Voice assistant settings can be configured using the Jabra Sound+ app.

6.4 Multiple call handling

The headphones can answer or reject calls when you are already on a call.

Multiple call handling

End current call and answer incoming call

Press the **Multi-function** button

Put current call on hold and answer incoming call

Hold (1 secs) the **Multi-function** button

Switch between held call and active call

Hold (1 secs) the **Multi-function** button

Reject incoming call, when on a call

Double-tap the **Multi-function** button

6.5 How to reset

Resetting the headphones clears the list of paired devices and all headphone settings.

After resetting, it is necessary to re-pair the headphones to your smartphone.

Reset

Reset the pairing list

Ensure the headphones are powered on and you are not on a call. Then simultaneously hold the **Volume up** button and the **Multi-function** button for 5 seconds. You will then need to re-pair the headphones.

6.6 Firmware update

The Jabra Elite 45e can be updated to the latest firmware version using the Jabra Sound+ app.

If notifications are enabled in the Jabra Sound+ app, you will receive an automatic notification when a firmware update is available.

8. Support

8.1 FAQ

View the FAQs on [Jabra.com/elite45e](https://www.jabra.com/elite45e).

8.2 How to care for your headphones

- Always store the headphones with the power off and safely protected.
- Avoid storage at extreme temperatures (above 50°C/122°F or below -10°C/14°F). This can shorten battery life and may affect the earbuds.
- Regularly clean the mesh on each earbud to avoid them becoming blocked.

* Dust and water resistant with a limited 2-year warranty against failure as a direct result from regular exposure to dust and water. Jabra Sound+ app registration required

** Operating system dependent
